Conference on Emerging Trends in Pharmaceutical Sciences 2025 (CETPS 25)

Faculty of Pharmacy
Capital University of Science
and Technology, Islamabad, Pakistan

About CETPS 25

Capital University of Science & Technology warmly welcomes you to participate in Conference, focused on the theme "Emerging Trends in Pharmaceutical Sciences to address emerging issues in improving the tools and techniques for the diagnosis, prevention and treatment of various diseases" scheduled on May 10, 2025, in Islamabad, Pakistan, with the goal of bringing together professionals, researchers, scientists, and the Pharmaceutical industry. The main objective of this conference is to provide a platform for renowned national and international scientists as well as researchers to share their novel ideas and research work about emerging advances in Pharmaceutical Sciences. A wide range of topics will be covered in scientific sessions in the form of oral presentations and posters. The CETPS 25 will bring together researchers, pharmacists, scientists, academicians, and industrialists to discuss the latest technologies, novel innovations and recent advancements in the areas of Drug Discovery, Nanotechnology, Pharmacogenomics, Natural Products, Personalized Medicines, Pharmaceutical Biotechnology/Microbiology, Patient Safety/Clinical Studies, Novel Drug Delivery Systems, Pharmacokinetics Studies, and Pharmacology & Toxicology to make this conference a milestone for scientific excellence.

By attending the conference, the participants will have an opportunity to conduct face-to-face meetings with researchers to get real-time feedback on research ideas, discuss current challenges in their research and development, brainstorm a range of cutting-edge discussions related to the broad

scientific discipline, and develop a collaboration with researchers and pharmaceutical industry. The participants will get full access to all event presentations and conference materials. The organizing team of CETPS 25 is looking forward to see you at the Capital University of Science & Technology on May 10, 2025.
